PRAETORIANS

Steve,

Well there is one thing I can say; psychology was an experience! Who would ever think it would be so boring. But there is something that turned out nice from the class. And that was meeting you. I really had fun talking to you during class. I tell you these dumb jokes and you come back with worse ones. And that great report you wrote. I will never forget. Good luck in the years to come.

Steve, It's been really nice seeing your shining smile all the time. I hope it won't be forever before I see you again. Your a super nice guy, and I'm really gonna miss you. Maybe at the Poly games. Have

The two highest honors that can be awarded to graduating seniors are those of Sealbearer and Torchbearer. Sealbearers are California high school students who have been members of a CSF chapter for four semesters. Torchbearers are students who have been members for six semesters. Membership in CSF is open to students majoring in all subject fields. Students must have earned at least three A's and one B in solid subjects,

and maintained excellent citizenship marks. Since CSF is a state federation the requirements are the same for all California high schools. In honor of their outstanding academic achievements Sealbearers and Torchbearers receive special recognition at graduation by wearing gold stoles over their robes. They also have the gold seal of California impressed on their diplomas.

GIRLS'

The Girls' League represents all of the girls here at Polytechnic High School. Members of the Cabinet and Council are voted into their offices by student election.

The Cabinet and Council, with assistance from Las Midas and Servicettes, planned many fun filled activities during the school year such as, the Canned Food Drive with the proceeds of the drive going for food baskets for needy families in our community. During the Spring Semester, a Sadie Hawkins Dance and a Crazy Legs Contest were held during Boy's Week.

Throughout the school year, Las Midas sold lollipops before sporting events while Servicettes sold corsages during football games. The revenue earned by Girls' League went into the Student Body Fund which provides money for the various school activities.

Steve

I've had a great year I hope
you have too. And one of the
reasons it's been so great
is because I met you. You're
a really great person and I am
glad I got to know you
as good as I do. I just
hope our relationship will
grow. You're a really special
person thanks for being you
and a friend to go to. If
I don't see you in the summer
have fun.

Yours always
Foni Walker

Steve,
You may not
remember me from
before but you're
still nice and
sweet. Good luck
in the future
years and take
care and do me
a favor and
improve your art.

I just would you in for Tennis life
